REPORT OF ACTIVITY

NAME OF THE DEPARTMENT :- COMPUTER SCIENCE & APPLICATION

Name of the Event : **Importance of C & C++**

Date of the Event : **14-02-2024**

Brief Details about the Event

IQAC & Department of Computer Science and Application has organized a event on C & C++ to spread knowledge about programming knowledge and scope to leading IT sector to make students more aware of It jobs & its exponential growth. It developed a capacity to explain how and why important programming is in today's modern era. It develops an understanding of the basic of programming and also gave a clear understanding of logical building and implementation through algorithm.

Outcome Achieved:

1. Capacity to explain how and why important programming is in today's modern era.
2. Understanding of the basic of programming.
3. A clear understanding of logical building and implementation through algorithm.
4. Future advances in computer programming led to precision for casting and develop sustainable pest management.
5. Provide students with knowledge, general competence, and analytical skills in Computer Science on an advanced level

SAI COLLEGE
SESSION- 2023-24
REPORT OF ACTIVITY- FDP ON “HOW TO MAKE GOOGLE FORM”

Name of the Event : FDP on “How to make google form”

Date of the Event : 07.10.2023

Brief Details about the Event

IQAC of Sai College has organized an **FDP on “how to make google form”** for the Staff of the Institute. This program helped the staff members from different departments to be proficient in making google form without the help of other. This is a training program that helped the faculties learn the basics and additional information. Through this program the faculties learnt how to customize colors, images, and fonts in the form. They also learnt to add custom logic to show questions as MCQ, short or long answer. Apart from this, faculties learnt to analyze the response with summaries. Set validation rules and many more.

Outcome Achieved:

- Staff members learnt to make google form.
- They learnt to analyze the charts and response given by students.
- They learnt to make question paper in a google form.
- They tried to customize their form.
- This program helped the staff to add information to a form .
- Helped to analyze the summaries
- Set rules for validating the answers.

Name of the Event : Emerging Trends in Machine Learning

Date of the Event : 09-12-2023

Brief Details about the Event

IQAC & Department of Computer Science and Application department of sai college has organized guest lecture on “**emerging trends in machine learning**” on 9th dec. 2023. The guest lecture given by **Dr. Sanat kumar sahu**, asst. Prof.(c.s.) Govt. VYT PG college durg. This lecture made the students to be able to Explain and apply machine-learning concepts such as regularization, over fitting, and Laplace smoothing to design efficient machine learning models.

Outcome Achieved:

1. Understand different types of machine learning and map problems to different classes of machine learning algorithms.
2. Understand subtleties and application scenarios for different supervised classification algorithms discussed above.
3. Explain and apply machine-learning concepts such as regularization, over fitting, and Laplace smoothing to design efficient machine learning models.
4. Explain and apply machine-learning concepts such as regularization, over fitting, and Laplace smoothing to design efficient machine learning models.
5. The outcome is often a variable that depends on a combination of the input variables.

SAI COLLEGE
SESSION- 2023-24
REPORT OF ACTIVITY

NAME OF THE DEPARTMENT:- COMPUTER SCIENCE & APPLICATION

Name of the Event : Guest Lecture on “Modern programming technique”

Date of the Event : 08February 2024

Brief Details about the Event

IQAC & Department of Computer Science & Application of Sai College has organized a guest lecture on “**Modern programming technique**” on 8th February 2024. It gives theoretical information on the principles of building programs, branching and looping process performance, I/O for console working, arrays using and complex data types, working with linked lists and code structuring based on the creation of functions for solving tasks. It is vital for software development process. The lecture was given by Mr. Dileep Kumar Sahu, Assistant Professor (Computer Science and Application), Govt. V.Y.T. PG Autonomous College Durg. . 35 students of Computer Science and Application attended the guest lecture.

Outcome Achieved:

1. Students dabbled with basic and some assembly.
2. Understand Technology.
3. Faculty Introduce & explain basics of Problem-Solving Skills.
4. Understood the core concept of programming.
5. Briefly explain Career Prospects in software domain by guest.

SAI COLLEGE
SESSION- 2023 - 2024
REPORT OF ACTIVITY

NAME OF THE DEPARTMENT: - IQAC & Commerce and Management

Name of the Event : Certificate Course (French Language)

Date of the Event : 12 September 2023

Brief Details about the Event

Sai College is pleased to announce the launch of a Certificate Course in the French Language, a collaborative effort between the college's Internal Quality Assurance Cell (IQAC) and the Department of Commerce and Management. The course is scheduled to take place during the second week of September, offering students the opportunity to learn French in an academic yet practical setting.

The course will be guided and coordinated by Dr. Abhishikha Patel, Assistant Professor from the Department of Commerce and Management. Dr. Patel, with her academic expertise, will ensure that the course offers a comprehensive understanding of the French language, including its grammar, vocabulary, pronunciation, and cultural nuances.

This initiative is aimed at providing students with valuable language skills that can open doors to global opportunities. Whether for academic pursuits, career advancements, or personal growth, learning French will give students a competitive edge in the increasingly globalized world. By offering this course, Sai College continues to uphold its commitment to fostering a well-rounded educational experience, combining language proficiency with international exposure.

The course promises to be an enriching experience for all participants, enhancing their communication abilities and broadening their cultural horizons. The administration encourages all interested students to enroll and make the most of this opportunity to learn a new language and expand their worldview.

Outcome Achieved:

Proficiency in French Basics: Students will acquire a solid foundation in the French language, including essential grammar, vocabulary, sentence structures, and pronunciation, enabling them to engage in basic conversations and understand written material.

Improved Communication Skills: Participants will enhance their ability to communicate effectively in French, both in written and spoken forms. This will improve their confidence in using the language in real-world situations, such as travel, networking, or professional communication.

Academic and Career Advancement: Mastery of a foreign language, especially French, will open up new academic opportunities and career prospects. Whether through higher studies or by working in multinational companies, students will be better positioned to access global job markets.

SESSION- 2023-24

REPORT OF ACTIVITY: HINDI TYPING

NAME OF THE DEPARTMENT: - COMPUTER SCIENCE & APPLICATION

Name of the Event : HINDI TYPING

Date of the Event: 5th June to 21th June & 8th April to 30th April 2024

Brief Details About the Event

The college successfully conducted a Hindi Typing Training Program in two batches, aimed at enhancing students' typing skills in Hindi, an essential competency for various academic, professional, and government opportunities. The first batch was conducted from 8th April to 30th April, with active participation from 34 students.

The second batch was held from 5th June to 21st June, witnessing an overwhelming response with 92 participants.

The training sessions were designed to provide hands-on experience in Hindi typing, focusing on improving speed and accuracy. Participants practiced using specialized software and keyboards, guided by experienced instructors. The program aimed to empower students with a skill that not only broadens their career prospects but also promotes the use of Hindi in official and professional communications. Feedback from students indicated a high level of satisfaction and enthusiasm for applying their new skills in future endeavors.

Outcome Achieved:

- 1)The Hindi Typing Training Program enhanced students' typing speed and accuracy in Hindi, equipping them with a valuable skill for academic and professional use.
- 2)Participants gained confidence in using Hindi typing for official communication and competitive examinations.
- 3)The program saw increased engagement in the second batch, reflecting its growing relevance and success. Overall, it promoted linguistic skills while fostering cultural and professional empowerment.

NAME OF THE DEPARTMENT:- DEPARTMENT OF CHEMISTRY IN COLLABORATION WITH
TOBACCO CONTROL COMMITTEE

Name of the Event : 1. Poster Making Competition
2. Guest lecture

Date of the Event : 07th November 2023

Brief Details about the Event

On 7th November 2023, Guest Lecture on Cancer Awareness program on the occasion of World Cancer Awareness Day was organized by Department of Chemistry in collaboration with Tobacco Control Committee (TCC). The guest speaker was Dr. Munish Bhagat, . He stated that how cancer get spread in ourbody, variety of carcinogens, various types of cancers such as leukemia, breast cancer, colon cancer, cervix cancer that are spreading so fast now a days. He also suggests that early detection and immediate action is necessary fr prevention of cancer. The program was anchored by Dr. Damini Vishwakarma, Nodal Officer, Tobacco Control Committee (TCC). At the end of program, IQAC Coordinator, Dr. Mamta Singh told the importance of awareness about cancer among faculties and students gave knowledge.

Outcome Achieved:

1. Lead to increased knowledge about cancer, including risk factors, screening programs and early detection.
2. Lead to more positive beliefs about cancer and confidence in discussing it.
3. Lead to changes in behaviours such as adopting safer lifestyle practices or getting screened for cancer.

Subject- Invitation for Guest Lecture on "National Cancer Awareness Day".

Respected Sir,

It is our immense pleasure to invite you for conducting Guest Lecture on "National Cancer Awareness Day" organised by Tobacco Control Committee(TCC) in collaboration with Dept. of Chemistry on 7th November 2023. We encourage us by your presence.

So, we will be grateful if you kindly accept this invitation & confirm your gracious presence.

Thanking you

SESSION- 2023-24
REPORT OF ACTIVITY
NAME OF THE EVENT:- INTERNATIONAL YOGA DAY
NAME OF THE DEPARTMENT: -IQAC

Name of the Event : INTERNATIONAL YOGA DAY
Date of the Event : 21st June 2024

Brief Details about the Event

Yoga is an ancient physical, mental and spiritual practice that originated in India. The word Yoga derives from Sanskrit and means to join or to unit, symbolizing the union of body and consciousness. The aims to raise awareness about yoga's holistic health benefits and encourage people around the world to incorporate it into their lives for better well-being. Various events , yoga sessions and demonstrations are organized globally to mark the occasion. The day encourages people worldwide to practice yoga and integrate it into their daily lives. The theme of the day often varies, focusing on different aspects of yoga, wellness, and its role in global peace and harmony. 2 members from ISHA foundation has trained our 15 staff members and 23 students on this health awareness program.

Outcome Achieved:

1. Educate the Public about yoga's benefits.
2. Promote healthy living habits.
3. Help people connect with nature.

REPORT OF CLOTHES DONATION DRIVE

NAME OF THE COMMITTEE/CELL: SOCIAL WELFARE COMMITTEE & NSS

Name of the Event : Cloth Donation Drive

Date of the Event : 11th January 2024

Brief Details about the Event

On 11th January 2023, National Service Scheme (NSS) and Social Welfare Committee of Sai College, organized a Clothes Donation Drive with the aim of supporting underprivileged individuals in the local community. The event was a part of ongoing efforts of college, to contribute to social welfare and community services.

This drive allowed students, faculty, and staff to donate gently used clothes, which were then distributed to those in need. Total number of 16 Volunteers contributed to the drive.

Outcome Achieved:

1. Provided clothes to underprivileged individuals, benefiting them during the winter season.
2. Fostered community service and social responsibility among students, faculty, and staff.
3. Promoted sustainability by encouraging the reuse of garments and reducing waste.
4. Strengthened ties with local charities and shelters through direct contributions.
5. Enhanced compassion and unity within the college and local community.

SAI COLLEGE
SESSION- 2023-24
REPORT OF A SEVEN DAY CAMP
NAME OF THE DEPARTMENT: NSS

Name of the Event : A Seven Day Camp
Date of the Event : 20th to 26th December 2023

Brief Details about the Event

The NSS Unit of Sai Mahavidyalaya, Sector 6, organized a seven-day special camp at Janjgiri village from 20th to 26th December 2023, with the participation of 52 enthusiastic volunteers. The camp aimed to serve the community through various developmental and awareness activities while fostering the spirit of teamwork and service among the volunteers.

- **Day 1:** The camp commenced with the construction of a soak pit, inaugurated by the Sarpanch of Janjgiri, Mrs. Rekha Chaturvedi, as the Chief Guest, accompanied by village Panch members and senior citizens.
- **Day 2:** Volunteers undertook road coating and eradicated carrot grass to enhance the cleanliness and hygiene of the village.
- **Day 3:** The day featured a *Prabhat Pheri*, yoga sessions, *Gram Sampark* (village outreach), and a *Nukkad Natak* (street play) to spread social awareness among the villagers.
- **Day 4:** The camp welcomed dignitaries, including the Deputy Director of Sai Mahavidyalaya, Dr. Mamta Singh, Principal Dr. D.B. Tiwari, and the District Organizer of NSS, Dr. Vinay Sharma. Yoga sessions and community interactions were also organized.
- **Day 5:** Activities included a *Prabhat Pheri*, yoga sessions, Taekwondo training, and a cleanliness project to promote health and wellness.
- **Day 6:** Volunteers engaged in village outreach activities, conducted a rally, and organized a torch rally in the evening. The day concluded with a cultural program for the villagers, showcasing the talents of the NSS team.
- **Day 7:** The camp concluded with cleaning and re-leveling the soak pit and tidying up the local school premises, marking the end of the week-long service-oriented initiative.

The camp not only benefitted the village but also instilled a sense of responsibility and community service in the students. The efforts of the NSS team were widely appreciated by the villagers and dignitaries.

SAI COLLEGE
SESSION- 2022-2023
REPORT OF WORLD HABITAT DAY/WORLD NATURE DAY
NAME OF THE DEPARTMENT: BOTANY

Name of the Event : WORLD HABITAT DAY/WORLD NATURE DAY

Date of the Event : 3rd October 2023

Brief Details about the Event

October 3 celebrated World Habitat Day/ World Nature Day. World Habitat Day is marked on the first Monday of October each and on the basic right of all to adequate shelter. The day is also intended to remind the world that everyone has the power and the responsibility to shape the future of towns year, and is recognized by the United Nations to reflect on the state of towns and cities, and cities. World Habitat Day was first celebrated in 1986 in Nairobi, Kenya, and the theme chosen for that year was "Shelter is My Right".

Nest Making and Essay Writing Competition was organized by the Botany Department at Sai College on the occasion of World Habitat Day. Whose theme was "Meri Mati Mera Desh."

This competition was judged by Dr. Mamta Singh IQAC coordinator and Dr. DB Tiwari as principal.

Outcome Achieved:

The idea is to reflect on the state of our towns and cities and the basic right of all to adequate shelter. It is also intended to remind the world of its collective responsibility for the future of the habitat.

SESSION- 2023-24

REPORT OF ACTIVITY: Guest Lecture on “Concept of logical building”

NAME OF THE DEPARTMENT: - COMPUTER SCIENCE & APPLICATION

Name of the Event : Guest Lecture on “Concept of logical building”

Date of the Event : 06thDecember 2023

Brief Details about the Event

IQAC & Department of Computer Science & Application of Sai College has organized a guest lecture on “**Concept of logical building**” on 6thDecember 2023. Logic building is a very important part of programming. Whether it’s the basic logic of a basic game, or the advanced logic of complex algorithms, your logic building skills determine whether you’re a good developer or a great one. That’s why you must improve your logic building skills. The lecture was given by Mrs. Latika Tamrakar, Assistant Professor (Computer science and application), Govt. VYT PG Autonomous college, Durg. 114 students of Computer Science and Application attended the guest lecture.

Outcome Achieved:

- Students learn Increases Independent abilities and Analytical thinking.
- Students Focuses on Learning new skills.
- Student Ask meaningful questions.
- Visualizing the outcome of decisions.
- Students learn about Deductive reasoning and Inductive reasoning

To,

Mrs. Latika Tamrakar
Asstt. Professor
Govt. VYT PG College
Durg (CG)

Respected Madam,

We would like to express our gratitude to you for conducting Guest Lecture on "Programming Concept & Logic Building" under MOU activity was very appreciable. It was honour for us to have you with us

We believe that the knowledge shared by you will help immensely in the development of our students. We know your time is precious we thank you for spending your valuable time for the above.

We look forward to your guidance in future also.

Thanking you

Yours Faithfully

SESSION- 2023-24
REPORT OF ACTIVITY- FDP ON “PROGRAMMING IN PYTHON”

Name of the Event : FDP on “Programming in python”

Date of the Event : 14.10.2023-24.10.2023

Brief Details about the Event

Department of Computer sc. And application of Sai College has organized an **FDP on “PROGRAMMING IN PYTHON”** for the Staff. This FDP helped the learners to write programs with fewer lines than some other programming languages. They learned to run the program and understood the meaning of the code can be executed as soon as it is written. Its also very easy to use and learn. This language is widely used in web development, data science and AI. This program helped the faculties to learn the computational thinking skills, develop creative and problem solving skill and acquire a strong grasp of how to apply code to the real world.

Outcome Achieved:

- Implement the OOPs concept in the programming.
- Use arrays, data structures.
- Create an application with the support of graphics in python.
- To learn to write functions and pass arguments in python.
- To learn how to build and package modules for reusability.

REPORT OF WORKSHOP ON FUNDAMENTALS OF RESEARCH FOR BEGINNER
NAME OF THE DEPARTMENT: - COMPUTER SCIENCE & APPLICATION & IQAC

Name of the Event : “Workshop On Fundamentals Of Research For Beginners”

Date of the Event : 9th Oct 2023-11th Oct 2023

Brief Details about the Event

Department of Computer Science & Application & IQAC of Sai College has organized a 3-DAY Workshop On Fundamentals Of Research For Beginners from 09th OCT 2023-11th OCT 2023. Ph.D holders from different departments and streams were invited to give lectures on various research topics under this program. Teachers shared their experience on research, the problems they face and how to overcome the issues. They also shared the basic tools and techniques one can use while doing research. In this event **Dr. Jagjeet Kaur Saluja** was or special guest. The speakers invited were **Dr. Mamta Singh, IQAC Coordinator** had given a lecture on “**First step of writing research paper for beginners**” in the inaugural session. In Day 1 **Dr. Abhishikha Patel** explained “**Share of literature review**”. In Day 2 **Dr. Rachna Negi** focused on the topic “**Structure of articles, Review of Literature & Material Required**”. In Day 3 **Dr.Sonal Khandelwal** Guided on the topic “**Selection of research problems**” All the students were enlightened with this lecture series.

Outcome Achieved:

1. Students were inspired to do research.
2. Ability to practice their skills.
3. To be able to describe the topic.
4. Develop positive attitude towards learning and research.

REPORT OF ACTIVITY: - GUEST LECTURE
ON
IMPORTANCE OF OPEN-SOURCE SOFTWARE

Name of the Event : GUEST LECTURE ON IMPORTANCE OF
OPEN-SOURCE SOFTWARE

Date of the Event : 09.05.2024

Brief Details about the Event

DEPARTMENT of computer sc. And application has organized a **GUEST LECTURE ON IMPORTANCE OF OPEN-SOURCE SOFTWARE** for the students of computer sc. of the Institute. This program helped the students to learn about the open-source software like Linux, and this lecture was conducted by MR. RAJU KHUNTEY, who is an assistant professor in Govt. PG College, Rajnandgaon. Through this lecture, a variety of topics were covered: -

- ✓ Working with open-source system & application software.
- ✓ How processing is done in an open-source software
- ✓ How to install an open-source software like Linux.

Outcome Achieved:

- Students learned the basic difference between CUI AND GUI.
- The learnt to requirements of hardware and software.
- This program helped the students to work with open-source system.
- Helped to understand the booting process in Linux.
- students learnt about system calls.
- Students learnt to install the open-source software.

REPORT OF ACTIVITY: Guest Lecture on "Mind Healing"

**NAME OF THE DEPARTMENT:-MOU Activity with Brahmakumari Ishwariya
Vishwavidyalaya, Value Education Programmes, RERF(Edu. Wing), Mount Abu, India**

Name of the Event : Guest Lecture on "Mind healing"

Date of the Event : 2nd September 2023

Brief Details about the Event

A mind healing session for the students and staff of Sai College was organized by Dr. Mamta Singh, IQAC Coordinator on as an activity under MOU. The mind healing session aimed to empower participants with spiritual tools and techniques to achieve mental well-being, inner peace, and self-awareness. The session began with a soothing meditation, setting the tone for a peaceful and introspective atmosphere. Two speakers from Prajapita BrahmaKumari guided participants through a series of transformative exercises, exploring themes of Identifying negative thought patterns and emotions, letting go of grudges and emotional burdens, cultivating present-moment awareness, nurturing compassion and self-acceptance, establishing a deeper connection with the inner self. 130 students of Sai college had attended the lecture. The mind healing session by Prajapita Brahma Kumari was a transformative experience. The session's impact will be long-lasting, inspiring participants to embark on a journey of self-discovery and spiritual growth.

Outcome Achieved:

1. Participants understood the power of thoughts in shaping their experiences.
2. Techniques for releasing emotional baggage were shared.
3. The importance of self-trust and resilience was emphasized.
4. Regular meditation practice was encouraged for mental clarity.
5. The session inspired participants to prioritize spiritual growth.

Total No of Participants : 130

Department wise No of Participants :

1. **No of Participants from Department of Computer Sc. And Application : 83**
2. **No of Participants from Department of Commerce & Management : 23**
3. **No of Participants from Department of Science : 14**
4. **No of Participants from Department of Biotechnology : 10**

SAI COLLEGE
SESSION- 2022-23
REPORT OF ACTIVITY

NAME OF THE DEPARTMENT:- COMPUTER SCIENCE & APPLICATION

Name of the Event : “poster making competition”

Date of the Event : 11/09/2023

Brief Details about the Event

Department of computer science & application of Sai College has organized a poster making competition on “**digital literacy**” on 11th Sep 2023.

Students used A4 size chart paper for making the poster. They were suggested to make the poster on the given topic and submit the same to the in-charge of this competition.

Posters provide a visual, colorful, simple way to communicate community issues and events, and they raise awareness of issues and participation programs.

Outcome Achieved:

1. The aim of this competition was to judge the students based on their creative aspects..
2. To capture a moving audience with a message.
3. Ability to practice their skills.
4. To be able to describe the topic.
5. Develop positive attitude towards the given topic “digital literacy”.

REPORT OF RESEARCH ETHICS & ARTICLE PUBLICATION
NAME OF THE DEPARTMENT: - COMPUTER SCIENCE & APPLICATION & IQAC

Name of the Event : “Research Ethics & Article Publication”

Date of the Event : 12th Oct 2023- 14th Oct 2023

Brief Details about the Event

Department of Computer Science & Application & IQAC of Sai College has organized a **3-DAY Workshop on Research Ethics & Article Publication** from 12th OCT 2023-14th OCT 2023. Ph.D holders from different departments and streams were invited to give lectures on various research topics under this program. Teachers shared their experience on research, the problems they face and how to overcome the issues. They also shared the basic tools and techniques one can use while doing research. As such research event provides invaluable opportunity to both share and heir the best new work in their field. Presentation by PhD research scholars is one of the popular events to further strengthening the research culture in the institute. In Day 1 **Dr. Rupa Chandrakar** Guided on the topic “**How to write and publish a research paper**”. In Day 2 **Dr. Damini Vishwakarma** explained “**Research tools & techniques**”. In Day 3 **Dr. Arpita Mukherjee** gave a lecture on “**Journey of Doctorate**”. All the students were enlightened with this lecture series.

Outcome Achieved:

1. Students were inspired to do research.
2. Ability to practice their skills.
3. To be able to describe the topic.
4. Develop positive attitude towards learning and research”.
